Subject: Entry Visa for Hiteshkumar Bhatt-India

This is to certify that Hiteshkumar Bhatt-India, Born 26/07/1968 , holding a India passport No. K0258547, has been invited to participate in the Global Festival of Action for Sustainable Development to be held at the World Conference Centre Bonn from 21 to 23 March 2018. Hiteshkumar Bhatt-India is proposing to travel between 17/03/2018 to 24/03/2018 . The event is organized by the UN SDG Action Campaign, with the support of the Federal Ministry for Economic Cooperation and Development (BMZ) of the Federal Republic of Germany.

In September 2015, 193 world leaders agreed to 17 Sustainable Development Goals (SDGs) to end poverty, protect the planet and ensure prosperity for all. We need a revolution in the way we think about international development if we are to deliver such an ambitious agenda by 2030. The Global Festival of Ideas plans to catalyse that revolution by bringing together leading thinkers, policy-makers, civil society and activists.

The interactive event will feature (1) a conference track with high level plenary sessions, presentations, and discussions, (2) real time problem-solving through policy simulations and participatory games based on interactive technology built by expert game designers as well as (3) innovation hubs that showcase the work of a wide variety of organisations. Further information will be continuously updated on the event website at globalfestivalofaction.org.

This letter is to request your office to issue a short stay visa to Hiteshkumar Bhatt-India to allow their travel for participation in the above activities. Please note the travel and accommodation for the participant will be covered by the traveling participant. Travel health insurance is in the responsibility of the travelling individual, since no travel insurance is provided by the event organizers.

Please do not hesitate to contact the organizing team at info@globalfestivalofaction.org should you require further information and/or documentation.

Yours sincerely,
